The Eyes Have It!

Name the songs from which the following lyrics were taken and the artist/s who performed them – they all have a reference to eyes in the title

<i>Date</i>	<i>Lyrics</i>	<i>Artist/Song</i>
1979	How can the light that burned so brightly Suddenly turn so pale?	
1979	One look and you're hypnotized He'll take your heart and you must pay the price	
1975	City girls just seem to find out early How to open doors with just a smile	
1977	I hear him before I go to sleep And focus on the day that's been I realise he's there when I turn the light off And turn over	
1981	And she'll tease you She'll unease you All the better just to please you	
1958	They asked me how I knew my true love was true, I of course replied, something here inside cannot be denied	
1974	Carried your books from school, Playing make-believe you're married to me	
1967	Hey where did we go, Days when the rains came Down in the hollow, Playin' a new game,	
1981	You really know me, that's all I need to know Maybe I'm an open book because I know you're mine But you won't need to read between the lines	
1982	So many times, it happens too fast You change your passion for glory Don't lose your grip on the dreams of the past You must fight just to keep them alive
